dashed line = top edge of the back pocket

Thread & stitch key

1. DMC 973 Bright Canary - body: satin stitch, 2 strands
2. DMC 310 Black - stripes and head: satin stitch, 2 strands
3. DMC B5200 Snow White - wings: satin stitch, 1 strand
4. DMC 414 Dark Steel Gray - wing outline and flight path: back + running stitch, 1 strand

Steps

1. Print the PDF at 100% and check the 1-inch square.
2. Trace the design above the top pocket seam with a heat-erasable pen or stabilizer.
3. Hoop the jeans leg (not through the pocket) and stitch fills first, then details, then outlines.
4. Finish with French knot eyes, remove the stabilizer, and press from the wrong side.

Tip: Start the dotted flight path just below the pocket seam so the bee looks like it flew out.
