How to stitch this design

1. Print at 100% / Actual Size and check the scale line. Transfer onto wash-away stabilizer and place it centred on the chest.
2. Hoop loosely without stretching the knit.
3. Satin-stitch the three trunks first.
4. Work each tier in fishbone stitch from the top point down, bottom tier last so it overlaps the trunk.
5. Add the red bow on the middle tree and the bauble knots.
6. Secure tails, dissolve the stabilizer and dry flat.
