How to stitch this design

1. Print at 100% / Actual Size and check the scale line. Line the dashed curve up with the collar seam, about 1 cm below it, and transfer onto wash-away stabilizer.
2. Hoop below the collar without catching the ribbing. Keep the knit relaxed.
3. Stem-stitch the three main stems and their side stems, then add the leaves.
4. Work the white petals of each daisy and bud flower, then the yellow centres.
5. Secure all tails on the back, dissolve the stabilizer and dry flat.
