Pattern details

Fabric: A smooth, medium-weight knit sweater (wool, cotton or a wool blend). Stitch through a printable wash-away stabilizer sheet on top of the knit.

Needle: Size 22 chenille needle (sharp point, large eye)

Hoop: 15 cm (6 in) hoop, moved along the garland section by section

How to stitch this design

1. Print at 100% / Actual Size and check the scale line. Lay the sweater flat and match the dashed curve to the collar seam so the garland sits evenly on both shoulders. Transfer onto wash-away stabilizer.
2. Hoop one section at a time and move the hoop gently; never leave it clamped overnight, as it can mark the knit.
3. Stitch all leaves first in fishbone stitch.
4. Satin-stitch the flowers in their colours, then add the yellow centres.
5. Add the bud knots between the leaves.
6. Secure tails, dissolve the stabilizer and dry the sweater flat, shaping the neckline with your hands while damp.
