1. Red Mushroom Scatter

Numbered stitch reference (enlarged) · Design size 72 x 60 mm · Beginner

Numbered colour & stitch key

1. Mushroom caps: satin stitch, colour R, 3 strands. Fill each dome with stitches running from the flat lower edge to the curved top. Work from the centre outward so the stitches stay upright.
2. Mushroom stems: satin stitch, colour C, 3 strands. Fill each stem with short horizontal stitches, tucking the top row just under the cap edge.
3. Cap spots: French knot, colour W, 3 strands. One two-wrap knot on each dot, worked over the finished red satin.
4. Grass tufts: straight stitch, colour G, 2 strands. Three short stitches fanning up from one point at each tuft.

Colours

R Tomato red · C Warm ivory · W White · G Sage green

Pattern details

Fabric: A smooth, medium-weight knit sweater (wool, cotton or a wool blend). Stitch through a printable wash-away stabilizer sheet on top of the knit.

Needle: Size 22 chenille needle (sharp point, large eye)

Hoop: 15 cm (6 in) hoop, closed just enough to hold the knit flat - never stretched

How to stitch this design

1. Print the template at 100% / Actual Size and check the 50 mm scale line. Trace or print the design onto a self-adhesive wash-away stabilizer sheet and smooth it onto the sweater front.
2. Turn the sweater inside out to check that only one layer is under the design area, then hoop it loosely. If the area will not fit a hoop, stitch in hand and keep the tension relaxed.
3. Satin-stitch the five ivory stems first, then the red caps over their top edges.
4. Add the white French knot spots on top of each cap.
5. Work the sage grass tufts with three straight stitches each.

For personal use. Please do not sell or redistribute this pattern; share a link to makerwarmth.com instead.

6. Weave all thread tails under nearby stitches on the back. Soak away the stabilizer in lukewarm water, press gently in a towel and dry flat.
