Pine Tree Forest Embroidery Pattern

Jeans cuff or shorts hem | actual size, print at 100% (no 'fit to page')

Threads & Stitches

1. DMC 890 Pistachio Green Ultra Dark - branches: fly stitch, 3 strands
2. DMC 3371 Black Brown - trunks: straight stitch, 3 strands

Steps

1. Print the PDF at 100% and check the 1-inch square.
2. Transfer the design with a heat-erasable pen or water-soluble stabilizer.
3. Hoop the area and stitch in the order of the thread key.
4. Remove marks or stabilizer, then press from the back on a towel.

Tip: Vary the tree heights; it is the uneven skyline that makes it look like a forest.
