Numbered colour & stitch key

1. Bow loops: satin stitch, colour R, 4 strands. Fill each loop with stitches running from the knot outward; four strands cover fluffy knits better.
2. Tails: satin stitch, colour R, 4 strands. Fill each tail with slanted stitches, following its angle.
3. Knot: satin stitch, colour D, 3 strands. Fill the small centre oval last, over the inner ends of the loops and tails.

Pattern details

Fabric: A smooth, medium-weight knit sweater (wool, cotton or a wool blend). Stitch through a printable wash-away stabilizer sheet on top of the knit.

Needle: Size 22 chenille needle (sharp point, large eye)

Hoop: 10-13 cm (4-5 in) hoop

How to stitch this design

1. Print at 100% / Actual Size and check the scale line. Transfer onto wash-away stabilizer and place it on the chest, or repeat it in a scatter across the front.
2. Hoop loosely. On a fluffy or mohair knit, keep the stabilizer on top - it stops the needle from disappearing into the fibres.
3. Satin-stitch the two loops, then the two tails.
4. Fill the centre knot in the deeper red so the bow reads as tied.
5. Secure tails, dissolve the stabilizer and dry flat.
