Pattern details

Fabric: A smooth, medium-weight knit sweater (wool, cotton or a wool blend). Stitch through a printable wash-away stabilizer sheet on top of the knit.

Needle: Size 22 chenille needle (sharp point, large eye)

Hoop: No hoop - a sleeve is too narrow; stitch in hand with a hand inside the sleeve

How to stitch this design

1. Print at 100% / Actual Size and check the scale line. Transfer onto wash-away stabilizer and stick it from the top of the ribbed cuff upward, on the outer side of the sleeve.
2. Slide one hand inside the sleeve so you only catch the top layer. Keep the stitches slightly looser than on woven fabric so the sleeve still stretches over your hand.
3. Stem-stitch the vine from the cuff upward, then work the short flower stalks.
4. Add the leaves as single lazy daisy stitches.
5. Work the five-petal flowers, then a mustard French knot in each centre.
6. Before finishing, pull the cuff gently over your fist to check the stitches stretch. Secure tails, wash away the stabilizer and dry flat. Repeat mirrored on the second sleeve if you like.
