HOW TO STITCH

1. Draw a straight base line along the edge, then trace half-circles about 1/2 in wide along it.
2. Work buttonhole stitch around each curve, looped edge on the outer side.
3. Fan the stitches slightly on the curve and keep them close together.
4. Finish each scallop at the base line and start the next one beside it.

TIPS

- Pre-wash the garment before stitching.
- Mark guide lines with a water-soluble pen.
- Move the hoop along as you work the border.
